Dear Tropical Experience Travel Services,

Thank you so much for transferring the annual college student sponsorship fees for Diana, Raiberson, Mario, Ryan and Justine. We received the 120,000.00 PHP in our BDO account on August 6, 2024.

All kinds of events are being held at Young Focus, signifying the start of school year 2024-2025. The different programs are busy making sure each participant is ready to take that next step in their educational journey. One example – the orientation meetings for new students and their parents, which include introducing staff, as well as outlining the responsibilities for everyone involved. Another example is the distribution of school materials, including brand new school bags. The exhilarating sight of students all kitted out for the new school year wonderfully symbolizes the hope of young and old for a better future.

Thank you so much again for your support, and your role in helping to make all this happen.

On behalf of the Young Focus team,
